Overview

- Aims
- Process
- Terminology
- The Rules themselves

RoP - Aims

- Define rights, obligations and accountability governing EOSC transactions
- Balance Ease of Uptake with Quality Assurance
 - quality assessment rather than enforcement
 - transparency
 - focus initially on a minimal set of RoP
 - recognise voluntary quality “badges”
- Rules brief and abstract (for longevity)
 - Implementation of RoP determined by different providers (within scope of RoP)
 - Discussion or issue in Commentary on Rules
- RoP assume governance in place
 - RoP and Sustainability WGs proposing mechanism to EOSC Association

- **V0.1 to EB (Dec 2019)**
- **V0.2 to public consultation (Feb-Apr 2020)**
- [SRIA Consultation - Summer 2020]
- (Internal versions addressing feedback and restructuring)
- **V0.5 (current) – ready for EOSC Symposium (Oct 19-22)**
- **V1.0 (planned) - hand over to EOSC Assoc'n (Dec 2020)**
- [SRIA and MAR - Dec 2020]

Jan 2021 onwards: EOSC Assoc'n manages evolution of Rules

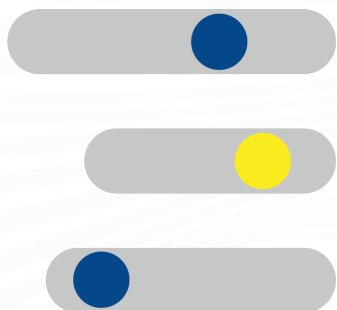

- ***EOSC***
- **EOSC *Resources*** (Data or Service available through EOSC)
 - EOSC ***Data*** resource
 - EOSC ***Services*** resource
 -
- **EOSC *Participants*** (User or Provider of EOSC Resources)
 - EOSC ***Users*** (of EOSC resources)
 - EOSC ***Providers*** (of EOSC resources)
 -
- **EOSC *Recognised*** (Resource or Participant or ...)
 - ...

RoP (v2.2) – The Rules (1 of 2)

- *EOSC is open to all*
 - As open as possible as closed as necessary
 - Resources and Participants
- *EOSC resources are registered in an EOSC recognised catalogue*
 - Really a definition, but important to include
 - Not a single catalogue, but a catalogue of catalogues (recursively)
- *EOSC participants adhere to principles of proper research conduct*
 - EOSC participants agree to adhere to the Rules of Participation
- *EOSC participants agree to their use of EOSC being monitored and analysed*
 - Quality through transparency
- *Participation in EOSC is subject to the policy and legislation of EU*

RoP (v2.2) – The Rules (2 of 2)

- *EOSC Users adhere to the terms of use of the resources they use*
- *EOSC Users reference the resources they use in their work*
- *EOSC Resources are freely discoverable*
 - *Ownership of resources does not change when they are made available via EOSC*
 - *Access to EOSC resources should be as simple as possible*
 - *Any charges which may apply are stated clearly*
- *EOSC Data align with FAIR principles*
- *EOSC Services align with EOSC architecture & interoperability guidelines*
